

# Consignment Contract

1. All items must be in new or “gently” used condition. Any items that are considered damaged (i.e. stains, rips/tears, pilling, faded, etc.) will not be accepted. Items must be in style and in season. Only items considered in season will be accepted at the time of consignment. For example, mittens will only be accepted during the fall and winter season.
  2. Selling prices are at the store’s discretion. Any pricing concerns should be mentioned during the time of drop-off.
  3. At the end of my contract, I would like my unsold items to be:  
 Returned to Me                       Placed on the \$1 Rack
- If you choose to pick up your unsold items, we will contact you and you have **seven** business days to pick your items up. If your unsold items are not picked up within seven days, it will be donated.
4. Items will be consigned for a total of 60 days (from the time we enter it into our system). Any items remaining after the 60 days, will be placed on the half price rack. Items will remain on the half price rack for approximately 7 days.
  5. Consignors will receive 40% of the selling price. You may choose to take a check (at the end of your contract), or you may use your account balance anytime towards in-store purchases.
  6. Items are left at the consignor’s risk. Simply Chic Consignment Boutique is not responsible for any lost, stolen, or damaged items.
  7. All monies must be picked up within 6 months; otherwise, the monies will become null or void.

**I accept and understand the above terms and conditions.**
